

Disclosure of Competing Interests

APA/AACAP Work Group on Revising the *Parents Medical Guide to SSRIs*

As a participant in the American Psychiatric Association/American Academy of Child and Adolescent Psychiatry workgroup on revising the *Parents Medical Guide to SSRIs*, I certify that:

1. All forms of support that may present, or appear to present, a competing interest or conflict of interest, including drug company support, are acknowledged on page 2 of this form.
2. Any commercial or financial involvements *within the past 12 months* that might present an appearance of a conflict of interest in connection with workgroup activities are disclosed on page 2 of this form. (Potential conflicts of interest include but are not limited to: (1) institutional or corporate affiliations; (2) paid consultancies, including forensic consultation and speaker's bureaus; (3) stock ownership or other equity interests; (4) patent ownership and interests in patents, instruments, and technologies; (5) honoraria, royalties, funds for travel; and (6) research support).
3. If box is checked I have no competing interests or conflicts to declare.
